About me

Dynamic and passionate Product Designer with 4 years of experience, including a valuable tenure at Picsart. Proficient in UI/UX design, wireframing, and prototyping using Figma, Adobe XD. Skilled in creating design systems, implementing typography and color theory, and ensuring responsive designs. Eager to leverage my expertise to contribute to a forward-thinking team, crafting innovative and engaging user experiences that drive success and delight users.

Education & Training

Designer | State College of Decorative and Design Arts | Yerevan, Armenia

Work experience

Product Designer | Picsart | 01/02/2023 - Current | Yerevan, Armenia

Spearheaded the design of intuitive user interfaces for mobile and web applications, ensuring optimal user experience.
